Event Summary

Knowledge Networks was a key partner at LEAP 2025, held from February 9–12 in Riyadh, Saudi Arabia, bringing together global leaders to drive discussions on AI governance and innovation. RegulatingAI, an initiative by Knowledge Networks, played a vital role in shaping conversations around AI ethics, regulation, and government AI readiness. Sanjay Puri participated in expert panels alongside industry leaders, contributing to critical debates on responsible AI implementation. With over 215,000 attendees, the event provided a dynamic platform for thought leadership, networking, and collaboration on AI policy and governance.

RegulatingAI's Impact

RegulatingAI's participation at LEAP 2025 reinforced its position as a leading voice in AI governance. Through live podcasts featuring experts like Dr. Ahmed Serag and Amr Metwally, it amplified key discussions on AI safety and ethics. The initiative's engagement generated over 50K Twitter impressions and 1.2K LinkedIn interactions, while securing more than 150 media coverages across the UK and US. By fostering high-impact dialogues and broadening its global outreach, RegulatingAI strengthened its influence in shaping the future of AI regulation and policy.
