Event Summary

The Imperial Springs International Forum (ISIF) 2024, co-organized by Club de Madrid, took place on December 11-12 in Madrid, Spain. This prestigious global event brought together over 130 former Presidents, Prime Ministers, dignitaries, and experts from 40+ countries under the theme "Collective Action for One Future." Discussions spanned global cooperation, green technology, sustainable development, and ethical governance, fostering solutions to pressing global challenges.

RegulatingAI's Impact

As a strategic partner of Club de Madrid, RegulatingAI played a pivotal role in advancing dialogues on ethical AI governance. RegulatingAI Founder and President, Sanjay Puri contributed as a panelist in the session "AI & Green Technology for Progress and Development," addressing AI's role in sustainability. RegulatingAI also hosted insightful podcasts featuring former Prime Ministers and Presidents like Mehdi Jomaa and Boris Tadić, deepening discussions on AI's implications for global collaboration and innovation.
